This Year's Accomplishments

Since expanding across the state in 2024, Heart Galleries of Texas has guided families from first glance to lifelong connection, with 800 children statewide moved to adoptive placements. This past year in El Paso, families were supported long after placement with therapy and parent coaching/mentoring and **110** professionals received training and professional development around permanency.

HEART GALLERY OF EL PASO

Heart Galleries of Texas is a collaboration between The Moritz Center for Societal Impact, Texas Institute for Child & Family Wellbeing and The Texas Center for Child & Family Studies.
